humanize your brand

Integrating culture into technology and structures for sustainable productivity

What I Do

I facilitate meaningful corporate culture.

I integrate human values, mindset, and wellbeing into your technological and structural processes.

Daniel Boernert

Munich (Germany) & Marrakech (Morocco)

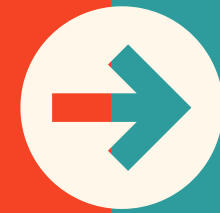

- Economist (Analysis and Strategy)
- Brand Strategist
- Values and Consciousness Coach
- Author and Speaker
- People & Morocco Enthusiast

MY OFFER

BASE The Values Pulse

Reveal your real culture.

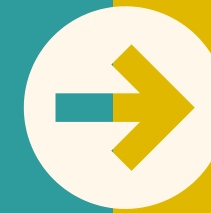

A focused values assessment with clear insights.

EXTENDED The Values Compass

Align how you think, act and decide.

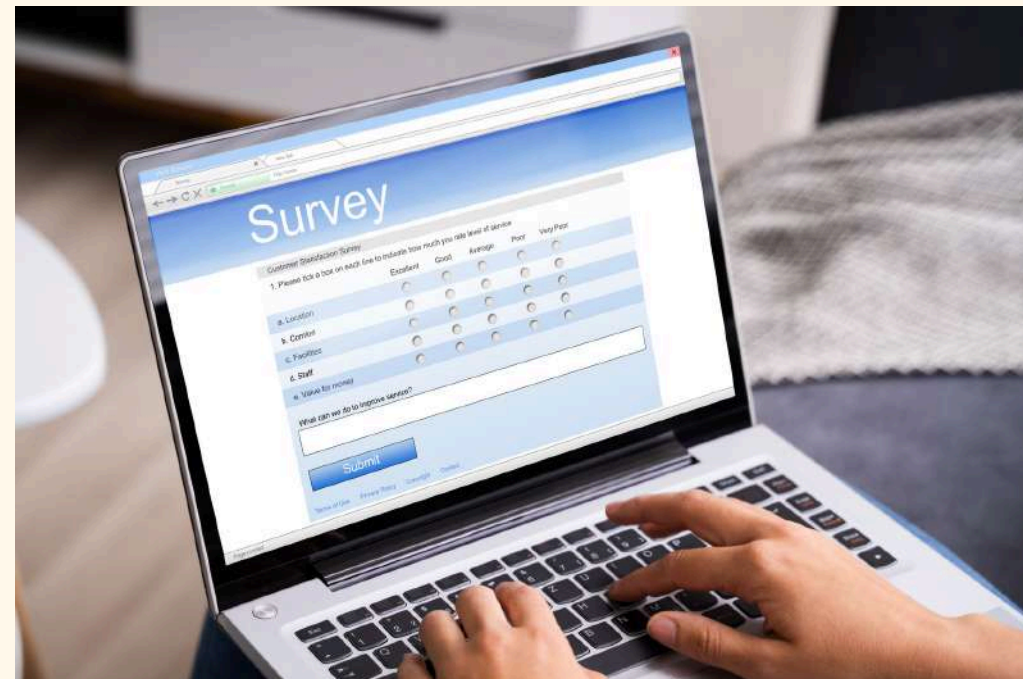

A practical system translating values into behavior.

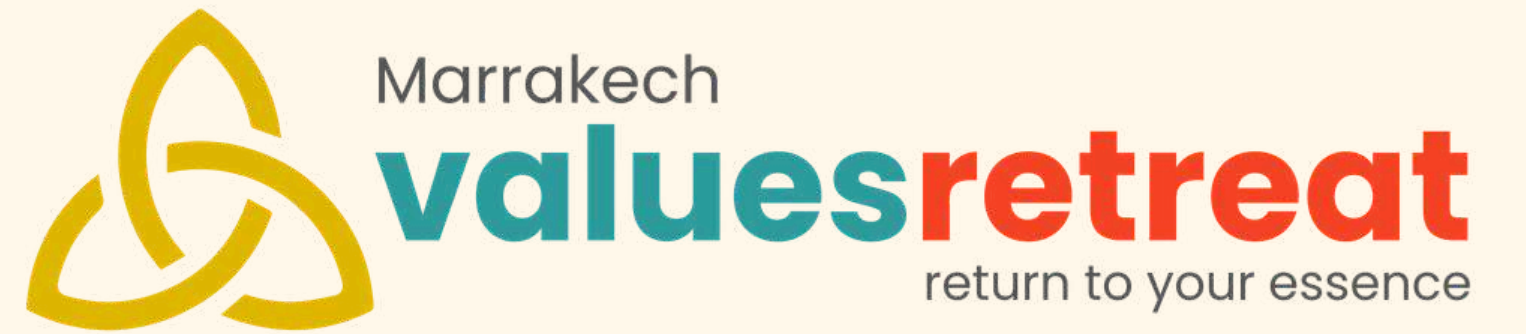

GOLD The Culture Retreat

Turn culture into experience.

An immersive format to activate and anchor culture – for example in Marrakech.

FOR INDIVIDUAL LEADERS

Personal reset. Deep reflection.
Clear direction.

**Build your Personal Values
Compass as your Leadership
Guideline in Marrakech.**

Get in touch for booking.

Why culture matters

Technology scales. Culture sustains.
Integration drives performance.

Future-ready companies integrate
innovation across technology and
people.

Human-centered organizations
outperform in change, growth, and
retention.

**Building brands with character —
and workplaces people choose.**
